Below you will find information about living and housing conditions in Student's Dormitory '*Dziekanka*' and equipment available for students:

- Students are located in two-person rooms with bathroom and toilet or in segments that consist of shared hallway, bathroom and toilet. There is a chance to organise a small number of one-person rooms if a number of dormitory applicants will be smaller than the sum of available spaces.
- Each room has got a small fridge. Every resident is provided with bed sheets. You have to get towels and cleaning supplies on your own. Student's Dormitory residents can use shared kitchens and launderettes. Every kitchen is equipped with cooker, sink and cupboards for groceries. Other equipmnet like pots, kitchenware and cutlery you have to get on your own.

We are willing to answer further information on the spot.

Welcome!
