TABLE OF REFERENCE OF DIRECTIONAL EFFECTS TO AREA EFFECTS

outcome symbol	Directional learning outcomes for the graduate	description of the component code
KNOWLEDGE		
Knowledge of the implementation of artistic works		

K2_W01	Has a detailed knowledge of musical literature, elements of a musical work and patterns of formal construction of works and knows the repertoire related to the field of study and his own specialty	P7S_WG
understanding the context of the fields of art		
K2_W02	knows and understands the development lines in the history of music and the associated performance traditions	P7S_WG
K2_W03	has a broad orientation in the field of literature regarding the field of study, both in terms of the history of a given field or discipline, as well as its current condition	P7S_WK
K2_W04	has knowledge in the field of issues related to technologies used in music and in the field of technological development related to the selected specialty, has knowledge regarding the construction of the instrument, maintenance, repairs, tuning, etc.	P7S_WG
K2_W05	recognises, defines and consciously exploits the interrelationships between the theoretical and practical aspects of studying	
K2_W06	Knows the principles of creating artistic works, knows the patterns underlying free artistic creation	
K2_W08	has in-depth knowledge of the professional ethics of a musician and teacher	
SKILLS		
Skills of artistic expression		
K2_U01	has in-depth skills to create, implement and express their own artistic concepts, consciously uses intuition, emotionality and imagination	P7S_UW
Ability to perform artistic works		
K2_U02	has a thorough knowledge and ability to interpret the repertoire related to the field of study using knowledge regarding the stylistic criteria of the performed works	P7S_UW
Improvisation skills		
K2_U03	has the ability to freely shape music in a way that allows you to move away from the written musical text	P7S_UW
Teamwork Skills		
K2_U04	has the ability to function in various team formations and cooperate with other artists in various types of teams and in other joint works and projects, also of a multidisciplinary nature	P7S_UO
K2_U05	is able to work in music bands as a leader	
Workshop Skills		
K2_U07	has a high-level technical workshop that allows for a professional musical presentation and consciously solves problems related to the field of study	P7S_UW P7S_UU
K2_U08	demonstrates a high degree of advancement in the aspect of independent improvement of the technical workshop, develops his skills to create, implement and express his own artistic concepts	
verbal skills		
K2_U09	has the ability to create extensive presentations in verbal and written form, also of a multimedia nature on topics related to the field of study, as well as broad issues in the field of art, using various sources	P7S_UK
public presentation skills		
K2_U10	Consciously interprets an artistic work, is able to establish contact with the audience	P7S_UK
SOCIAL COMPETENCES		
Autonomy		

K2_K01	is a competent and independent artist, able to consciously integrate the acquired knowledge within the field of study and as part of other culture-forming activities	P7S_UU P7S_KR
K2_K02	understands the need to improve their own skills throughout life, and inspires others to improve their competences	
K2_K03	consciously and responsibly leads diverse team activities	
Psychological determinants		
K2_K04	has the ability to solve psychological problems, adapt to a variety of circumstances occurring at work	P7S_KK
Criticism		
K2_K05	has the ability to critically evaluate their own creative and pedagogical activities and is able to subject other undertakings in the field of culture and other areas of artistic and pedagogical activity to such an assessment	P7S_KK
social communication		
K2_K06	demonstrates the ability to communicate effectively and function in society as a musician and teacher	P7S_KO P7S_KR
K2_K07	Is ready to reflect on artistic, social, pedagogical and scientific activities
